Highlights

THANK YOU

Thanks to a generous Otto Bremer grant we were able to start providing Breakfast Backpack Attack bags to all schools served by this program in Douglas and Pope Counties. With the help of 3rd - 5th grade Compass students we were able to pack 1,700 bags to serve students for the next several weeks!

A BIG thanks to the many members of our communities who volunteered to be a part of our allocations process! Approximately 80 volunteers have dedicated their time to represent the donor voice as we review applications to allocate funds to support AMAZING programs and agencies in Douglas & Pope Counties!

Stay in touch!
