

2017/2018 LIVE UNITED PARTNERS
MOVING OUR COMMUNITIES FORWARD THROUGH PARTNERSHIP

COMMUNITY IMPACT GRANTS

Thanks to the support of our community we have the opportunity to review programs and grant dollars to local non-profits and organizations that we are happy to call our [Community Impact Partners](#). These Partners all do great work in the area of providing services that improve the health, education or financial stability of residents of Douglas and/or Pope County.

This is the second year of our two year funding cycle. 80+ volunteers from our community make up 8 different panels. We will travel together to hear presentations from each of our partners and make recommendations regarding United Way funding. Last year we were able to provide grants to 29 agencies in Douglas and Pope Counties! Review panels take place from Monday, April 9th - Thursday, April 12th.
