## BACKPACK ATTACK

Backpack Attack continues to be a program that is growing to serve more kids within Douglas & Pope Counties. Today we are lifting up a few highlights from our Backpack Attack program that happened in January.

The Osakis Hunger Coalition put together a soup and sandwich dinner with a Silent Auction sponsored by the Osakis Municipal Liquor Store. The event raised awareness about Backpack Attack in Osakis and raised over \$3,000 to support the program!

National Honor Society students took on the first packing event specifically for Brandon schools. Over 600 bags were packed to cover distribution to Brandon Evansville elementary students for the remainder of the school year.
