July 2020 - June 2021 **“Strength in Numbers”**

United Way of Douglas
& Pope Counties

A letter from the Executive Director

Dear friends,

As I conclude my 6th year as Executive Director, I couldn't be more proud of all that we have accomplished together. Every day is a pleasure and honor to support the individuals and families in Douglas & Pope Counties along side of each of you!

Over the past 12 months we have served record numbers of families through our Food Drops and continued to offer 9 programs that support children and adults with their basic health, education and financial stability needs. Additionally we were able to provide 17 grants to nonprofits to support their meaningful work. This is a testament to the commitment and compassion of our partner agencies, financial supporters, our volunteers and our staff.

Our Board of Directors has developed a strategic plan that reflects our vision for a

community that not only survives but thrives. Our goal is to do more than meet the needs in our community, we will strive to prevent them from existing in the first place.

While we will always address the immediate concerns, we will work harder and reach farther to create opportunities for every person. We will do this by listening to the stories with genuine compassion.

As a local United Way we look beyond the numbers and see the person. We know you and we care about you. We understand the daily challenges that are faced in homes, schools, neighborhoods and workplaces.

Our friends, families, co-workers, neighbors, and strangers have difficult times. We have changed our processes and have asked more of our supporters to continue to meet the most pressing needs in our

community. It wasn't always easy, but you responded with your generosity. You gave of your time, talents and donations and demonstrated the strength of our community!

We will be here FOR you, WITH you, and BECAUSE OF you! We LIVE UNITED and together we can do SO MUCH!

Thank you for your support of our community, I look forward to what we can achieve today, tomorrow and into the future!

Women United

Women United's mission locally is to help our children become educated, empowered and elevated by focusing on childhood literacy.

The Annual Women United Fundraiser raises dollars to support The Traveling Tree House and childhood literacy locally. The past two years our Women United Steering Committee has hosted a virtual Silent Auction in-lieu of an in-person event. In 2021 we were able to raise \$7,500 through this effort.

We are happy to report that the Traveling Tree House resumed in person this past summer with 165 kids visiting our 10 Douglas County locations each week.
