UNITED IS THE WAY We Move Every Person Forward To Create A Thriving Community.

We measure success in our impact areas by focusing on solutions that deliver measurable results. These areas include Healthy Community, Youth Opportunity, Financial Security and Community Resiliency. Through community support and partnerships, we are helping to build a thriving community.

Our Impact Areas

These are programs and resources that our team focuses on to create impact in our community. From bringing our community together through events and affinity groups to the work we do in our impact areas and community investments, we are a passionate team and board who believe **United Is The Way** we are going to continue to make lasting impact.

UNITED IS THE WAY™

OUR FOCUS

United Way seeks to improve lives by mobilizing the caring power of our community to advance the common good.

OUR COMMUNITY

This year marks a new chapter for our region as our newly merged team begins serving Douglas, Otter Tail, Pope, Todd and Wadena Counties, each community with their own unique strengths, challenges and focus areas. As one unified newly merged United Way team, we are deeply committed to our local impact in the five-county region that we now serve.
