

Holiday Gift PROGRAM

United Way of Douglas
& Pope Counties

United Way's Holiday Gift Program connects families who need help purchasing gifts for their children with another person (or group) who would like to sponsor their children by checking items off their wishlist! This program serves Douglas and Pope County children ages 0-18.

Families are matched based on the number of children a sponsor would like to purchase for. A wishlist for each child is then provided by email. The sponsor purchases items off of the wishlist. New, **unwrapped gifts** can be dropped off at the United Way of Douglas & Pope Counties office at the close of the program. All parties are kept confidential!
