

# HOMework KITS

Homework kits are a simple way to provide support to students and their families. Providing these kits gaps a barrier by ensuring students have materials needed at their home to complete their work! Knowing that you are equipped to complete a task provides comfort and confidence.

## SUPPLIES NEEDED:

- Small tote or bin (for supplies!)
- 3 Ring spiral notebook
- Mechanical pencils and lead
- 3 Black, 3 red, 3 blue pens
- Scissors
- 3 Highlighters
- Colored pencils
- Pocket folder
- Flash drive
- Small calculator

## INSTRUCTIONS:

1. Purchase or collect new supplies.
2. Assemble individual totes or boxes with the supplies listed.
3. Bring completed kits to the United Way to be distributed to agencies and clients who need them.

## REFLECTION

After school hours can sometimes be hectic; rides and transportation, activities, jobs, meals, preparing for the next day and homework!

1. How would you feel if you sat down at night to do your homework and then realized you didn't have a pencil, or a way to get one?
2. Have you ever not completed your homework? How did it make you feel at school?
