

Issues Facing Our Community:

WATER, SEWER & YARD CARE

OVERVIEW

People living in poverty often experience inadequate housing with high energy costs. Issues with water and sewer such as plumbing or wells are additional costs for households beyond their already high monthly expenses. Families struggling to pay for these services may sacrifice nutrition, medicine and other necessities, which compound the effects of inequality. Yard Care is an additional burden due to physical limitations and health problems.

SERVICES/ORGANIZATIONS

Local services that have programming or the ability to assist with water/sewer/yard care.

- **Pope/Douglas Waste Mgmt.**
- **Menards**
- **Love INC**
- **Habitat Re-store**
- **City**
- **Zion Church**
- **HRA**
- **USDA**
- **Insurance**

- **Legal Services**
- **Caring & Sharing**

NEEDS

Volunteers for yard upkeep
Equipment for yard upkeep

Access to assistance
Disposal of:

- Christmas Trees
- Mattresses
- Electronics
- Appliances

Services for:

- Water pipes
- Wells
- Sewer

Volunteers to assist

Consultation services
